Request for Information - Final Response

Dear XXXXXXXXXXXX

Further to your email to the MOD of 1 May 2014 requesting the following information:

“Could I request that you compile the age, CBAT and FBM to each individual? ie for each pilot you would have their age, cbat score and fbm mark all together.”

Your inquiry has been considered as a Freedom of Information request under the FOI Act 2000.

The information requested is detailed in the table below.

Age on Entry	CBAT	FBM
18	132	180
19	134	198
19	135	207
19	133	206
22	114	209
23	133	211
23	124	221
23	123	183
24	131	200
24	136	242
24	136	203
25	134	234

This inquiry follows on from a previous response which listed the information above in a different format. That response took information for AIB HMB scores for a greater time range than that requested above. Hence the smaller numbers in the present response, which does comprise all the information regarding the present request, held by the MOD.

I hope this is helpful. If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Head of Corporate Information, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>

Yours sincerely
