CHAPTER 85

LOGISTICS BRANCH

8501. Promotion Boards and Eligibility

- a. Logistics Branch Promotion Boards consider all candidates from each respective specialisation on the basis of merit and regardless of Arm.
- b. Officers making recommendations for promotion, confirmation or course, are to pay due regard to the regulations shown in [Para 6901](#). As is already the case, adequate selections will also have to be made to ensure there are sufficient seagoing males to meet the SM requirement. To ensure that the separate GS and SM manning requirements are met, all those selected, who are fit for SM service, will be considered for either Arm, depending on the needs of the Service. The liability to serve in submarines is laid down within [Chapter 51](#).
- c. For all specialisations, should Service reasons preclude an individual from taking their annual Rolling OPS Check, a waiver is to be sought from the relevant WO Senior Specialist Advisor in Fleet. Divisional Officers of personnel that fail to complete their Rolling OPS Check are to consider taking administrative action in the form of Warning the individual for Discharge SHORE (Inadequacy).
