Dear [REDACTED]

Thank you for your e-mail of 06 February 2017, which has been considered to be a request for information under the Freedom of Information (FOI) Act 2000.

In your e-mail you requested the following:

Could you provide the typical hours breakdown of an RAF Student pilot in training across Elementary, Basic, Advanced and operational training (LIFT etc) prior to OCU.

A search for the information has been completed within the MOD, and I can confirm that information in scope of your request is held. Please find attached response at Annex A.

If you are not satisfied with this response or wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance Team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been

completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

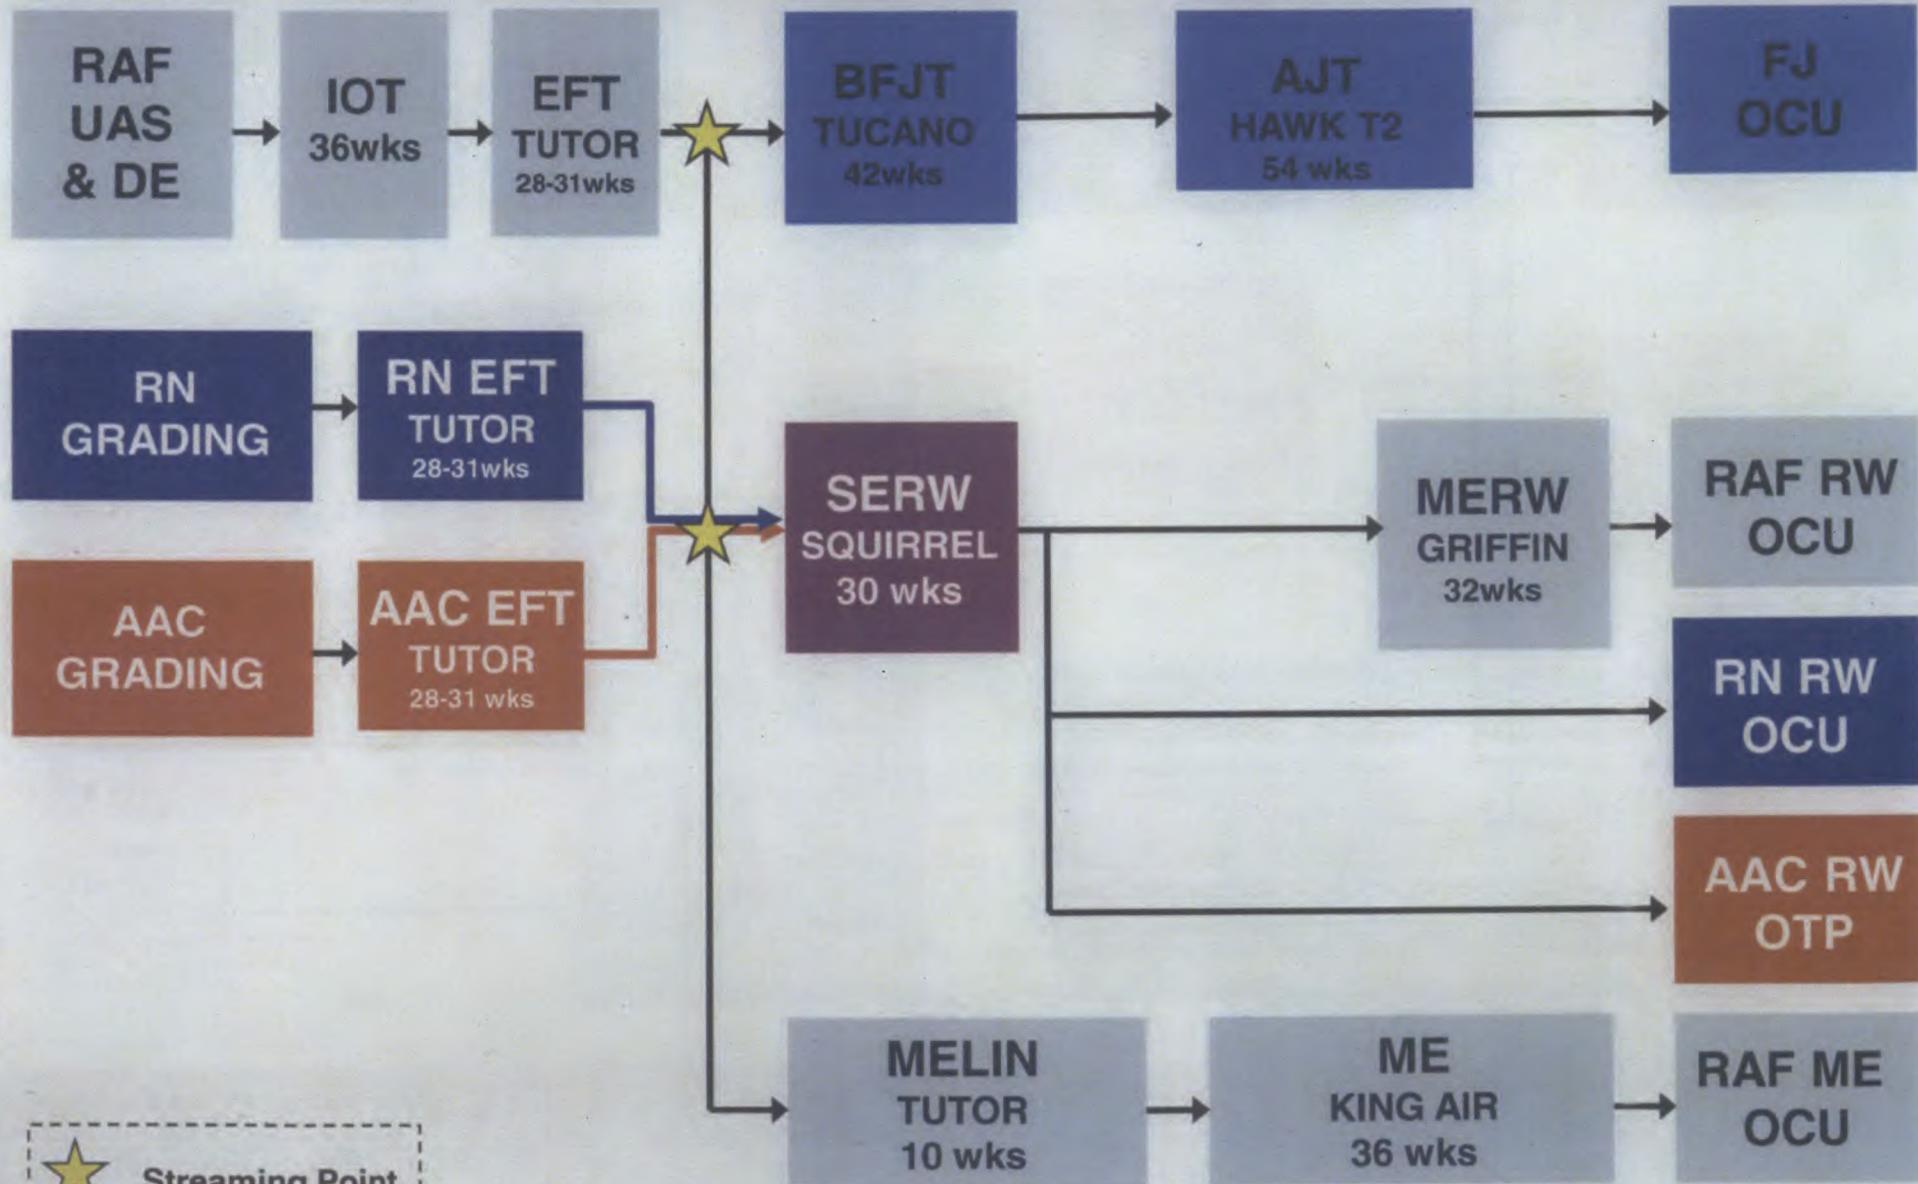

Yours sincerely,

Air Command Secretariat
